Pursuant to the terms and conditions of the Award, this authorization:

The scope of work stated in the May 20, 2008 signed Project Authorization 00397-A remains the same.

However, a correction to the narrative is made through this amendment. The narrative incorrectly states the total funding amount for construction to be \$4,424,442 when in fact the correct construction amount is \$4,420,442. The total project costs in the amount of \$4,794,198 and the cost share match totals in the amount of \$2,507,232 remain the same as reflected in the original Project Authorization.

The total project costs and match amounts in the remainder of the original document are correct.
